L Learners Coach

Test-day checklist

Confirm the details with your driving licence testing centre (DLTC) before the day.

Before the day

- Book your test at a DLTC (online on the NaTIS website or at the centre).
- Sit at least one timed full mock and pass every part.
- Do your daily review the day before.

Take with you

- Your ID document or passport (and a copy if the centre asks).
- Passport photos, if your centre does not take them.
- The test fee.
- Your glasses or contact lenses, if you wear them: there is an eye test.
- Form LL1 (application for a learner's licence), filled in or completed at the centre.

On the day

- Arrive early.
- 66 questions, 60 minutes. Pass every part: rules 22/30, signs 23/28, controls 6/8.
- Read every option before you answer. Flag hard ones and come back.
- The learner's licence is valid for 24 months.
